CCDV - Love, Teach, Reach

Love, Teach, Reach

Registration begins March 17th

2014

**Summer Camp Program
 Kindergarten thru 7th Grade**

All-in-One Camp

A one week summer camp that incorporates aspects of all of the camps being offered through the summer. Your camper will get a taste of everything being offered in order to determine what other camps he might like to attend through the rest of their summer.

Arts and Crafts Camp

Arts and Crafts camp will allow children to explore their creativity while working on both small and more complex arts & craft projects. Students will be introduced to different mediums of art including, drawing, painting, photography and drama. Create your own masterpieces both large and small, simple and complex. Other activities will include Bible lessons, games, movie day, skits, and water play.

Sports Camp

This camp will give campers the perfect opportunity to either try a new sport in a non-competitive setting or work on the skills they already have. Campers will participate in a variety of sports each day, including basketball, soccer, dodge ball, kickball and wiffleball. The emphasis of this camp is having fun and learning good sportsmanship, it is not for those seeking competitive sports. Campers will learn the rules, basic skills of each sport, run drills and play scrimmage games. To beat the heat, afternoon activities could include water games or indoor balloon volleyball.

Kids in the Kitchen

This fun-filled hands-on cooking class will allow your child to prepare delicious main courses, delectable desserts, and scrumptious snacks. Campers will learn some basic skills of cooking and meal planning. Best of all, everyone gets to eat what they make. Other activities include games, water play, and arts and crafts. Recipe calendars may be picked up at the Church Office.

Theatre Camp

It doesn't matter whether you have lots of theatre experience or none at all. We will provide a fun and supportive environment for participants to explore their creativity while working with other students on prepared scripts. Improvisational games, theater exercises and appropriate acting games will be incorporated as a way to enhance skills. Participants will learn a new play and also will be provided an opportunity to write and produce their own play in groups. Other activities will include outdoor play, games, and art projects that incorporate the creation of props for the play.

Camp I Am

Campers participate in traditional camp activities such as archery, water activities, tie-dye, crafts, skits, games, sports and an expanded nature education portion! In addition, campers will sleep over in the backyard on the last Thursday night where they will make s'mores around the campfire, sing campfire songs and sleep under the stars! Parents are invited out to camp on Thursday night to watch skits and songs performed by their camper. Campers will be grouped by age prior to camp.

PM Kids Club

Looking for a full day program? If you need care for your child after camp ends at 3:00PM, check out PM Kids Club! Children will participate in board games, crafts, videos, music, and quiet activities. PM Kids Club provides a relaxed, low-key environment for children to unwind. Extended hours begin after camps are over at 3:00 pm and last until 6:00 p.m.

Leader in Training Program

The Leader in Training Program is the ultimate experience for those teens looking to become future camp leaders. This camp provides the essentials for volunteering and working for programs like Kids in the Kitchen, Sports Camp, Arts & Crafts Camp, Theatre and Kinder Camp. Participants will spend the first week learning the essentials of good decision making, sound work ethics, and professionalism; it will also help develop characteristics such as leadership, responsibility and teamwork. Participants will also focus on day camp style games, activities, crafts, and learn First Aid.
