Parents - We love children - We have a staff of caring volunteers to teach *your nursery through 6th grade children*. We teach the love of God in word and deed. For the safety of your children, we ask that you sign them in using the Kid Check system in the lobby, before taking them to their classroom. **If you are unable to leave your child home while they are ill (preferred)**, please feel free to view and hear the service in our "Cry Room" just off the hall past the restrooms.

Tithes, Offerings and Gifts - We believe that giving is an act of obedience. A formal collection is not taken during the service, but an offering box is located in the lobby.
